ABOUT ME

A Computer Science student at Binus University, specializing in Software Engineering. With a strong passion for web development, I enjoy creating functional, user-friendly, and engaging websites that combine both design and performance. I am continuously improving my programming and problem-solving skills through academic projects, personal initiatives, and hands-on practice. Driven by curiosity and a desire to grow, I'm eager to explore new technologies, collaborate with others, and contribute to impactful software projects that can make a real difference.
