EDUCATION

BINUS University

Bachelor of Science in Computer Science | Software Engineer

Alam Sutera, Tangerang

Sep 2023 - Expected 2027

EXPERIENCE

Quality Assurance Intern | PT. Sinergi Prakarsa Utama

Jul 2025 - Sep 2025

- Executed 50+ automated test cases on web applications, reducing regression issues and improving overall system reliability.
- Developed and maintained automated test scripts using Katalon Studio, improving testing efficiency and consistency.
- Identified, documented, and tracked software defects, contributing to reduced bugs and improved overall product quality.

Streaming Manager | Binusian Gaming

Mar 2025 - Jan 2026

- Coordinated streamers and technical teams for multiple gaming tournaments, ensuring smooth live broadcasts.
- Led and trained team members to maintain broadcast quality, timing, and audience engagement.
- Administered technical operations during live events, including stream setup, troubleshooting, and real-time monitoring.

Media and Communication Activist | Persekutuan Oikoumene

Mar 2025 - Jan 2026

- Created and delivered weekly multimedia content including videos, posters, and digital publications for fellowship events.
- Documented organizational activities through photo and video production, supporting event promotion and reporting.

Event Coordinator | Various Kinds of Events

Mar 2024- Dec 2025

- Planned and executed 20+ on-site and hybrid events with an average audience of 50–100 participants per event.
- Directed event schedules, logistics, and cross team communication to ensure smooth execution.
- Delivered positive participant experiences by overseeing event flow, problem solving on site issues, and managing stakeholders.
